

The Black Forest Card „SchwarzwaldCard“

Experience what the Black Forest has to offer – active or relaxing – The Black Forest Card »SchwarzwaldCard« is your admission ticket for about 150 destinations for a day trip and attractions all over the Black Forest!

The Black Forest Card »SchwarzwaldCard« offers free admission to: Museums, swimming pools and spa resorts, theme and leisure parks (even 1 admission to Europa-Park, Germany's biggest leisure park, is included), cable railways, ski lifts, boat trips, visitor mines and many other attractions.

During 2008 / 2009 the Black Forest Card »SchwarzwaldCard« is valid on any 3 days from December 1st in 2008 until November 1st in 2009.

The family ticket is valid for 2 Adults and 3 Children up to 17 years. Each family gets one single ticket; the attractions have to be visited together. The card is transferable to another user. During one day the card is non-transferable.

In addition to this many special attractions can be visited
 - once outside of the three-day period of validity,
 - once within the three-day period of validity.

einmalig

You can buy the card in many tourist information centres in the Black Forest. Moreover the card can be bought at most participating attractions as well. It is also possible to order the card from the Schwarzwald Tourismus GmbH.

You get a free copy of the Black Forest guide with your SchwarzwaldCard – the official guide of the SchwarzwaldCard – with detailed information about all attractions and excursions. The guide can, of course, also be bought without the SchwarzwaldCard at a price of 4,95 Euros.
